JVM Performance Engineering & Troubleshooting Training

Rate the Training (1 being worst and 5 being best):

1   2   3   4   (5)

What did you like about the training?

It was one of 'best' trainings I have ever attended.
Learnt things I didn't think of or dreamt of. although I don't
do coding everyday. learnt some concepts that were knew to me.

What things can be improved in the training?

- ~~Prepa~~ Pre-req's: little knowledge java or OO concepts.
Ask attendees to bring real heap dumps / thread dumps
to work with.

Your Name (Optional): ALKESH LAKHANI

JVM Performance Engineering & Troubleshooting Training

Rate the Training (1 being worst and 5 being best):

1   2   3   4   (5)

What did you like about the training?

Great training materials with hand
code examples to practice and get to
understand the JVM. Passionate
trainer with great patience and
good vibe :) Thanks Ram!

What things can be improved in the training?

Your Name (Optional): _____

JVM Performance Engineering & Troubleshooting Training

Rate the Training (1 being worst and 5 being best):

1   2   3   4   (5)

What did you like about the training?

Time Management

Interactive

Content

Labs

What things can be improved in the training?

Your Name (Optional): Anthony Lelicek

JVM Performance Engineering & Troubleshooting Training

Rate the Training (1 being worst and 5 being best):

1   2   3   4   (5)

What did you like about the training?

Very interesting
Good technical level
Helped understanding of core concepts

What things can be improved in the training?

Not much - overall very good

Your Name (Optional): _____

JVM Performance Engineering & Troubleshooting Training

Rate the Training (1 being worst and 5 being best):

1   2   3   4   (5)

What did you like about the training?

Actual labs & knowledge of instructor

What things can be improved in the training?

Your Name (Optional): HAFIZ REHMAN

JVM Performance Engineering & Troubleshooting Training

Rate the Training (1 being worst and 5 being best):

1   2   3   4   (5)

What did you like about the training?

Interaction with students
Knowledge of tutor
Great exercises

What things can be improved in the training?

More time

Your Name (Optional): _Shman._

JVM Performance Engineering & Troubleshooting Training

Rate the Training (1 being worst and 5 being best):

1   2   3   4   (5)

What did you like about the training?

INSIGHT VERY GOOD.
ALL NEW STUFF AND STUDY CASES

What things can be improved in the training?

MORE DAYS TO DIG DEEPER.

Your Name (Optional): _____ CIPRIAN _____

JVM Performance Engineering & Troubleshooting Training

Rate the Training (1 being worst and 5 being best):

1   2   3   4   (5)

What did you like about the training?

Interesting!

Good, knowledgeable instructor

What things can be improved in the training?

N/A

Your Name (Optional): _____

JVM Performance Engineering & Troubleshooting Training

Rate the Training (1 being worst and 5 being best):

1   2   3   4   (5)

What did you like about the training?

Trainer.

What things can be improved in the training?

Maybe do Top 10 or 20 useful
JVM tunings. Or checklist, most
important first, of JVM Tunings.

Your Name (Optional): _____

JVM Performance Engineering & Troubleshooting Training

Rate the Training (1 being worst and 5 being best):

1   2   3   4   (5)

What did you like about the training?

1. the Hands on examples on the material discussed
2. Instructor way of transfering knowledge
3. The theme of the session,

What things can be improved in the training?

Can't think of something iniatially.

Your Name (Optional): _____
